

To,

The Principal

Sub: RoboTryst-2013 National Robotics Championship by Robosapiens in association with Tryst IIT-Delhi.

Dear Sir,

On behalf of Tryst Indian Institute of Technology, Delhi and Robosapiens India as the host of this championship, it gives us great pleasure to introduce RoboTryst-2013, A national robotics championship to be held in January, 2013. RoboTryst-2013 is sponsored & funded by India's biggest robotics education company, Robosapiens Technologies Pvt Ltd. RoboTryst-2013 will bring students from all over the country together to participate in the celebration of knowledge and creative extravagance along with experts from the fields of academic as well as industry. It hosts various challenging events based on Robotics Development, Model Exhibition, Astronomy, Robotics, general awareness and many more. With technological innovation scaling new heights, RoboTryst-2013 promises to keep a tab on the advancements and stay in sync with the mood of the times. With the introduction of several new events, and old ones remodeled, RoboTryst-2013 is all set to create a new benchmark.

This year we are organizing RoboTryst-2013 a National Level Robotics Championship in association with our partner official Robotics Partner Robosapiens Technologies Pvt Ltd. We are organizing Zonal Rounds of RoboTryst-2013 in total 40 Colleges all across India. We are looking to make your esteemed college a Zonal Center this event.

Event Details

RoboTryst-2013 is a National Robotics Championship and Workshop series Jointed by Tryst IIT-Delhi and Robosapiens Technologies Pvt Ltd. This Year Prelims Rounds of RoboTryst-2013 will be held at 40 Zonal Centers all across India. This is a 3 Stage Event as detailed below:

Stage 1 (WORKSHOP ROUND to be held at Zonal Centers):

1. Robotics workshop will be held at 40 Zonal centers all across India. The details of the Zonal centers and Workshop contents will be available on this website.
2. All the participants who wants to participate in RoboTryst-2013 are required to attend the workshops at any Zonal Center.
3. The workshop fee is included in the Registration Charges.
4. During the workshop '**Robotic Kits**' will be supplied by Sponsors of this event to a Group of 4-5 Participant at free of Cost.
5. The Duration of the Robotics Workshop will be of 2 Days(7-8 hr Each day).
6. The Workshop will be delivered by Robosapiens Technologies Pvt Ltd.

Stage 2 (ZONAL ROUND to be held at zonal center):

1. Just after the workshop a Mega Competition (Prelims Rounds) of RoboTryst-2013 will be held.
2. Winners will be awarded Certificate of Merit, and are required to participate in Final Rounds which will be held in the months of Jan-March 012 at IIT-delhi.

Stage 3 (FINAL ROUND to be held at IIT-Delhi):

1. Winners of 40 Zonal Centers are required to participate in the Final Round of RoboTryst-2013 in the month of Jan-2013 at IIT-delhi.
2. Winner of this Final Round will win **The RoboTryst-2013Championship** and will be awarded and honored by Tryst IIT-Delhi.
3. **A Certificate of Excellence will also be awarded to the Winning Team.**

Process guidelines

1. We want your association to make this RoboTryst-2013 a big success in your college.
2. A proper publicity will be done about the event at the All India Level.
3. Date of zonal final can be finalized by telephonic conversation with Coordinators of RoboTryst-2013, and Robosapiens Technologies, according to the College feasibility and slots available in our calendar.
4. The entire event will be conducted at college campus.
5. Each student participating in the workshop will get a participation certificate.

Benefits of associating with us...

1. Name and Logo including website link will be published on our official website mentioning that "You are our Official Zonal Partner".
2. Authorized Team will visit your College to organize the entire event.
3. Chance to get associated with nationally acclaimed engineering Institute of India.
4. An email will be sent to more than 1 lack users of our web partners about your college publicity.
5. Posters and Flexes will be sent to you for effective regional publicity.
6. All India publicity through SMS will also be done.

Key Benefit

We will be providing the students knowledge in the field of Robotics and Embedded Systems by showing them live robotics projects and promote them to get participation in national level Robotics event.

Requirements

1. Seminar hall/classroom having the enough capacity to conduct hands-on-session for all participants. Good Quality public address system ideally two cordless mikes will be required. Projector/ Screen along with black/white board for teaching and presentation purposes.
2. One small stereo jack cord to connect in laptop for its sound system. This Zonal centre can only be arranged for a minimum of 70 students.

Responsibility of an Organizer

1. Hospitality (2 days) for a team of 3-4 members.
2. Pick and Drop facility from the nearest railway station/bus stop/ airport.

Workshop Highlights (1 Rounds of RoboTryst-2013)

1. Receive an unparalleled education from Robosapiens Technologies Pvt Ltd with personal one-on-one attention.
2. Learn and interact with one of the respected authorities.
3. Robosapiens technologies certification programs are recognized in the industry.
4. Improve your job prospects and get an edge over your counterparts.
5. Interactive Query sessions, Live Demos, PowerPoint Presentation.

Certification Policy

1. Certificate of Participation from RoboTryst-2013 Tryst IIT-Delhi to each participant
2. Certificate of Coordination from RoboTryst-2013 Tryst IIT-Delhi for all of the coordinators
3. Zonal Winners will participate in Final Rounds at IIT delhi.

Eligibility Criteria

All engineering, Science, MBA, PhD students and hobbyist of Robotics can attend this event, as Robotics has become the backbone of all the industry needs.

Registration charges

1. Registration Charges Rs. 1550 only.
2. The fee includes workshop training, certification, and Event registration and a free Robotics Kit to each team of 4-5 members.

Thank You!!!!!!

We ensure that you will find our initiative extremely beneficial for your students. If you have any queries kindly get back to us. We are looking forward to a quick and positive response from you and a long term association with your esteemed organization.
